According to property manager Greg Norris, customers can continue to expect this high level of tenant at Tuileries Plaza. “At The Beach provides very in-demand service products and services that are well above the level of their competition. This high-end salon meets and exceeds customer expectations.” The Tuileries Plaza salon is the fifth Kansas City area location for At The Beach and the first for owners Diana and Ernie Haynes.

Tuileries Plaza is the Northland’s newest mixed-use center, located at I-29 and Highway 45 in Kansas City. The center, with a European flair inspired by the Louvre Museum’s Tuileries Gardens, will host an exceptional mix of fashion retailers, one-of-a-kind specialty tenants, professional offices and appetizing restaurants. This unique venture is locally owned and managed by Prairieview Development, LLC and leased by CBRE.
