Caribou Coffee® Rides Underway at Tuileries Plaza

Kansas City, MO - Epic Bike and Sport is host to the Caribou Coffee® Ride every Tuesday morning from 9:00 – 10:00. The ride is slow paced with speeds averaging less than 15 mph. Those looking to get started in the sport of cycling or simply looking for some light exercise will find this the perfect opportunity to socialize with new friends.

The ride departs from Epic Bike and Sport each Tuesday morning promptly at 9:00 am. The routes will vary week to week but the final destination will always be the same, Caribou Coffee®. Riders will find a free cup of coffee waiting for them after the ride. You can also purchase other coffee drinks, and bakery items.

As an added incentive to get on your bike Caribou Coffee® will give the first 50 participants a free water bottle and t-shirt! We hope you'll decide to join Epic Bike and Sport and Caribou Coffee® for a great ride and a free cup of the best tasting coffee in the neighborhood.
