Community Celebration Planned for Tuileries Plaza Play Area Opening

KANSAS CITY, MO – Tuileries Plaza will celebrate the opening of the children’s play area on May 11th & 12th with a Community Celebration. The Celebration commences with the Northland Regional Chamber Ribbon Cutting at 9:30 a.m. on Friday, May 11th which includes the unveiling of a hand painted ceramic tile mural created by local tile artist Carolyn Payne depicting a number of European landmarks. This mural will be located adjacent to the children’s play area and incorporates a number of the European monument elements in the play area including the Eiffel Tower, the Arch de Triumph, the entrance to the Louvre Museum, and the Tuileries Gardens – the inspiration for the development’s name. The mural is a very whimsical interpretation of the monuments and is sure to enchant both children and adults. Chamber members will be joined by the English Landing Elementary School Ambassadors for the ribbon cutting and unveiling event.

The Celebration continues on Saturday, May 12th with a variety of family activities from 10 am to 2 pm. Entertainment includes an inflatable play area, face painters, jugglers and a number of stage performances including the Dino O’Dell Trio (11 am and 1 pm) and storyteller Steve Otto (10 am and 12 pm). In addition, children may paint a commemorative tile with artist Carolyn Payne for a suggested \$10 donation to Hillcrest Transitional Housing. Tile painting will be available from 11 am to 1 pm.
