La~de~da Fine Furnishings Opens Second Location at Tuileries Plaza

Tuileries Plaza, the Northland's newest mixed-use lifestyle center, is pleased to announce the opening of La~de~da Fine Furnishings, a premiere shopping destination for home furnishings and gifts. This well known Parkville boutique offers a wonderful selection of unusual and unique home accessories, furniture pieces, seasonal decorations, and one-of-a-kind gifts for men, women and babies. The expanded location in Tuileries Plaza will offer complete design services including custom upholstery and bedding, spatial design, window treatments, flooring and more. The owners of La~de~da are very excited about the new shop in Tuileries Plaza. According to owner Janet Bruner, "In addition to our expanded design services, our new space will also allow us to offer tabletop, bridal registry, men's gifts, and fine art to our Northland customers."

Property manager Greg Norris agrees that La~de~da offers something special for their customers, "La~de~da is an example of the fine quality destination retail partner we are seeking to fill Tuileries Plaza. We are delighted to have had them select Tuileries Plaza for their second location and are confident they will be very successful at the property." The approximate 3,300 square foot store is located in Building 9 of Phase I of the project. The lease was negotiated by David Hickman and Adam Lyngar of CBRE on behalf of the landlord.

Tuileries Plaza is the Northland's newest mixed-use center, located at I-29 and Highway 45 (NW 64th Street exit) in Kansas City. The center, with a European flair inspired by the Louvre Museum's Tuileries Gardens, will host an exceptional mix of fashion retailers, one-of-a-kind specialty tenants, professional offices and appetizing restaurants. This unique venture is locally owned and managed by Prairieview Development, LLC and leased by CBRE.
