## Reece & Nichols Opens New Residential Office at Tuileries Plaza

Tuileries Plaza, the Northland's newest mixed-use lifestyle center, is pleased to announce the opening of Reece & Nichols residential real estate office at the property. Reece & Nichols is one of the area's most reliable and established real estate brokerage companies, offering resources including mortgage, title, insurance, and relocation services to streamline the home buying and selling processes. The Reece & Nichols web site ([www.reeceandnichols.com](http://www.reeceandnichols.com)) offers extensive information on firm services and residential property listings.

Reece & Nichols is the first office tenant to open at the mixed-use project. Greg Norris of Tuileries Plaza noted that, "Tenants like Reece & Nichols are not only key to the property's success, but also to the continued growth in the Northland." The Reece & Nichols office opens with more than 70 agents and administrative staff personnel, and projections of more than 100 staff members when the office is at capacity. Mike Rush, Broker for the Reece & Nichols office agrees, "We look forward to growing with the Northland and we have expanded to meet that need for years to come."

The approximate 8,900 square foot lease at Tuileries Plaza was negotiated by Northland Management and Investment on behalf of the landlord and Kessinger Hunter on behalf of the tenant.

Tuileries Plaza is the Northland's newest mixed-use center, located at I-29 and Highway 45 (NW 64th Street) in Kansas City. The center, with a European flair inspired by the Louvre Museum's Tuileries Gardens, will host an exceptional mix of fashion retailers, one-of-a-kind specialty tenants, professional offices and appetizing restaurants. This unique venture is locally owned and managed by Prairieview Development, LLC and leased by CBRE.
